Reporting Period: May, 2018

### SCHEDULE OF CASH RECEIPTS AND DISBURSEMENTS

Amounts reported should be per the debtor's books, not the bank statement. The beginning cash should be the ending cash from the prior month or, if this is the first report, the amount should be the balance on the date the petition was filed. The amounts reported in the "CURRENT MONTH - ACTUAL" column must equal the sum of the four bank account columns. The amounts reported in the "PROJECTED" columns should be taken from the SMALL BUSINESS INITIAL REPORT (FORM IR-1). Attach copies of the bank statements and the cash disbursements journal. The total disbursements listed in the disbursements journal must equal the total disbursements reported on this page. A bank reconciliation must be attached for each account. [See MOR-1 (CONT)]

Bank Deposits FDIC Insured! TD Bank, N.A. Equal Housing Lender

**FINANCE CHARGE.** Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline<sup>®</sup> Overdraft Protection account, the term "ODP" or "OD Deferral Overdraft Protection" the Bank discloses the Average Daily Balance on the periodic statements as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debts are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been subtracted, plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.
